

Home Health Final Rule

AANP Recommendation	CMS Decision	Thumbs Up/Down
Do not implement the proposed HHGM model in the final rule	CMS has decided not to implement the HHGM model which would have changed the unit of payment from 60 to 30 days. CMS stated that largest concern was the proposed change in the unit of payment. Will continue to review public comments for further consideration.	
Remove documentation and certification requirements in HHVBP model	CMS did not address this request.	
Use regulatory authority to remove documentation and certification requirements for HH	CMS did not address this request
