

## AANP CE Opportunities Calendar

This calendar lists activities accredited by AANP for NP CE by date; however, it is **not inclusive of ALL activities accredited by AANP**. This calendar also includes a list of AANP Approved Providers (groups or individuals who have demonstrated the ability to design, implement, and evaluate continuing education activities for Nurse Practitioners without prior review by AANP) with links to their sites. For more information concerning any of these opportunities or Approved Providers, please contact the activity sponsor (information provided in right column). Only activities *accredited* by AANP, its Partners and Approved Providers, are listed on this webpage.

The following educational activities are listed as a courtesy to AANP members and other visitors to our site. The CE activity listings do not imply AANP endorsement. Each participant is responsible for determining if the type of credit offered is acceptable for recertification/re-licensure requirements. **To determine if the activity you have completed or are interested in attending is acceptable for your certification requirements, please contact your specific NP certification board.**

Contact information for the **American Academy of Nurse Practitioners Certification Board (AANPCB)**:

If you would like to accredit your continuing education activity through AANP, please visit <https://www.aanp.org/education/ce-accreditation/individual-activity-accreditation>

To access 85+ online continuing education activities developed by the American Association of Nurse Practitioners and AANP Partners, go to the [AANP CE Center](#). All activities in the AANP CE Center are *free to all current AANP Members*. Many are available to non-members and/or are available for purchase.
