AANP Grant Program

Program Description

- Grants are available to American Association of Nurse Practitioners® (AANP) members who are practicing in a nurse practitioner (NP) role.

- Applicants must be certified NPs or graduate students expected to complete their project in 2024.

- Awardees may receive $5,000 in grant funding. Only completed applications will be accepted and reviewed.

- Applications are due by March 15, 2023, at 6 p.m. ET (5 p.m. CT).

*If you are selected for a grant, you will be required to complete and sign a written acknowledgement form.

Eligibility Requirements

- Must be a U.S. citizen or permanent resident.

- Must not be a member of the AANP Board of Directors (BOD) or a relative of a current AANP BOD member or AANP State Liaison.

- Must not be staff or related to AANP staff.

- Have not been funded by AANP within the last three calendar years.

- Expected to complete your project by December 31, 2024.

AANP Indirect Cost and Funding Statements

- As a not-for-profit organization, AANP does not allocate any grant funding toward indirect costs.

- AANP will not cover indirect costs, including but not limited to salary, fringe benefits, administrative costs, etc. Please check your institution's grant policies prior to applying.

- AANP will not cover non-essential travel, including travel (and registration) to conferences for dissemination.

- AANP will not fund projects that have already been completed and disseminated.

Types of Projects Accepted

- Research: Primary.*

- Research: Secondary Data Analysis.*

- Patient Education.

- Provider Education.

- Evidence-Based Practice, Quality Improvement.

Grants are not intended for professional development (e.g., conference attendance or advanced courses or workshops).

*Primary research and secondary data analysis should contribute new and novel findings to the body of existing knowledge as new, original research directly related to — and of importance to — the NP role. It should not function as a repetition, extension or modification of completed research.
