## Reserving Exhibit Space

All exhibit space applicants are required to read the 2026 AANP National Conference Rules and Regulations and complete the formal booth application and contract through the online portal.

All applications are subject to review, and AANP reserves the right in its sole discretion to accept or reject any application for space. Companies whose focus is TENS Units, LED Skincare (Facial and Body), skin care, cosmetic products, CBD, handheld massagers, or aggressive sales tactics are not allowed to exhibit under any circumstance. Failure to abide by all Rules or Regulations will result in exhibitor removal with no refund of fees paid. AANP also reserves the right to deny future participation of such exhibitors. AANP does not accept exhibit or sponsorship applications from insurance companies that offer liability insurance. This includes insurance companies that have multiple product lines, and liability insurance is part of that offering. Insurance companies that offer other insurance products cannot include liability insurance on their website or in marketing materials used to promote their organization at AANP conferences.

## Contract for Space

By completing an exhibit space or sponsorship application for the 2026 AANP National Conference, the company, organization,

association and management company (collectively referred to as "exhibitor" or "exhibit") acknowledge they have fully read and agree to comply with all rules and requirements provided in the Exhibitor Prospectus, as well as related procedures, forms, Exhibitor Service Kit and communications. Completion of the application process represents a firm and binding contract with the understanding and agreement to abide by all rules, regulations and conditions of AANP and the conference venue. Failure to abide by such rules and regulations will result in forfeiture of all monies paid or due to AANP under terms of this agreement.

No carpeting, furnishings, electrical service, internet or other amenities are included. Floor covering is mandatory.

## Payment Policy

Exhibitors are not confirmed until payment is received, and the application is approved.

**2025 AANP National Conference Exhibitors who participate in the 2026 Booth Renewal Program, reserving booth space by Monday, June 23, 2025:**

- A nonrefundable deposit of 50% of the total cost of space must be remitted no later than Friday, October 17, 2025, in order to receive the renewal rate.

*All dates and times referenced are listed in PDT.*

# RULES & REGULATIONS CONT.

- Invoices will be sent in early September.
- If payment is not received by October 17, 2025, the exhibitor will be sent an updated invoice the week of October 27, 2025, at the higher standard rate—an increase of \$2.00 per square foot.
- The remaining balance must be received on or before Friday, March 13, 2026.

## All other applications submitted prior to March 13, 2026:

- A nonrefundable deposit equaling 50% of the total cost of space must be remitted within ten (10) business days of invoicing.
- The remaining balance must be received on or before March 13, 2026, regardless of invoice date.

## Applications submitted on/after March 13, 2026:

- Full payment of the total booth cost is due within ten (10) business days of invoicing and is nonrefundable.

All booth space must be paid in FULL prior to the start of the 2026 AANP National Conference and Exhibitor Move-In. Exhibitors with outstanding balances will not be granted access to the Exhibit Hall or allowed to set-up their booth, and exhibitor badges will be withheld.

If payments are not received per the payment schedule outlined above, AANP reserves the right to cancel the contracted exhibit space and resell the booth to another Exhibitor. Failure to make payments does not release the contracted or financial obligation of the Exhibitor.

Booth payments may be made by credit card, check, or ACH/wire transfer. Invoices will include a link to the secure Paytrace portal to directly process any payments by credit card. All credit card transactions are subject to a 3% credit card processing fee. Payments by check must be made payable to the American Association of Nurse Practitioners (Federal Tax ID #22-2547543) and sent to AANP, Box 485, La Grange, IL 60525-0485. Fees associated with an exhibitor using a third-party payor (i.e., ACH payments, management companies, etc.) are the responsibility of the exhibitor. AANP is not responsible for absorbing these fees, and all rates will be adjusted accordingly.

## Cancellations and Reductions by Exhibitor

All exhibit space cancellations, or reductions of space, must be received in writing (via email) to [aanp@corcexpo.com](mailto:aanp@corcexpo.com). Exhibitors that cancel or reduce booth space will be subject to cancellation penalties as outlined below.

- **On or before March 13, 2026:** Exhibitor is liable for 50% of the total cost of space canceled.
- **After March 13, 2026:** Exhibitor is liable for 100% of the total cost of space canceled.
- No refunds whatsoever will be made for cancellations or reductions of space after Friday, March 13, 2026.

If an exhibitor cancels their booth space and has not paid the amount owed at that time, the owed payment becomes a cancellation fee. If space is reduced, the net reduction of space is regarded as a cancellation. Cancellation penalties will apply, and the exhibitor will need to relocate to a booth space of the reduced size.

In the event of cancellation or reduction of booth space by an exhibitor, AANP reserves the right to reassign the canceled space. Subsequent reassignment of canceled space does not relieve the canceling exhibitor of the obligation to pay the cancellation penalty. All cancellation payments that may become due are acknowledged by the exhibitor as liquidated damages and are not applicable toward any future AANP events. All outstanding exhibit payments for booth

cancellations or reductions must be paid in full in order to be eligible to apply and exhibit at future AANP events.

For the cancellation to be complete, exhibitors canceling exhibit space must also cancel conference hotel block reservations, as well as other arrangements made in connection with exhibiting at the 2026 AANP National Conference.

## No Shows

Any booth found unoccupied by 11AM on Thursday, June 25, 2026, may be considered a “No Show”. The exhibitor will forfeit 100% of the total booth cost, and AANP reserves the right to reassign the space to another exhibiting company or utilize it as they deem fit. Additionally, the exhibitor may lose up to 50% of accumulated priority points, forfeit all payments for booth rental and may be ineligible to exhibit at future AANP conferences.

## Relocation of Exhibits and Floor Plan Revisions

AANP reserves the exclusive right to revise the exhibit hall floor plans and relocate any assigned exhibitors as necessary for the betterment of the event, as determined solely by AANP. Exhibitors who change the size of their exhibit space are not guaranteed the originally assigned location and will be subject to relocation.

## Hotel Reservations

The official registration and housing company is Maritz Global Events. Hotel reservation information will be available in December for confirmed exhibitors. Exhibitors reserving hotel rooms within the official 2026 AANP National Conference Housing Block will be eligible for incentives (more information will be forthcoming). Those Exhibitors reserving hotel rooms outside the official block may be penalized.

## BOOTH CONSTRUCTION

### Presentation

All exposed parts of displays must present an attractive appearance when viewed from the aisles or from adjoining exhibits and must not be objectionable to other exhibitors or AANP. All exhibit booths must be carpeted to hide electrical layout and avoid trip hazards. When deemed necessary, the official general contractor, with approval from AANP Exhibit Management, will install any additional drapery for aesthetic purposes. All charges are the responsibility of the exhibitor. No roofing or floor covering may be used to span an aisle without special prior permission and approval from AANP Exhibit Management.

### Linear Booths

AANP does not permit peninsula or end cap Booths.

- Each 10'x10' linear booth has uniform 8' high back wall drape and 3' high side drape in the designated show colors.
- The maximum allowable height of product and display materials, inclusive of exhibitor name and logo, is 8' high.
- Display materials greater than 4' in height must be a minimum of 5' back from the front aisle. No obstructions in the front half of the booth above a height of 4' are permitted. In order to provide continuity for all exhibiting companies' sight lines, these rules will be strictly enforced.

*All dates and times referenced are listed in PDT.*

# RULES & REGULATIONS CONT.

- Exhibitors must mask all displays with unsightly back or side walls. If necessary, drape will be installed to cover any unfinished parts of a display and the exhibitor will be charged accordingly by the general service contractor.
- Carpet/floor covering of the full area of your exhibit space is mandatory and is not provided with your exhibit space purchase. If you are not providing your own booth flooring, you must rent carpet from the general service contractor. Please refer to the Exhibitor Service Kit for more information. Show management reserves the right to “force carpet” any exhibit area that is without flooring within two hours before the end time of booth move-in/setup. Exhibitor is responsible for the flooring cost.
- Absolutely no storage of any kind will be permitted behind an exhibitor’s booth. If an exhibitor does not comply, AANP Exhibit Management will have the items placed in storage or removed at the exhibitor’s expense.

## Island Booths

An island exhibit is a display in four or more standard units with aisles on all four sides. AANP considers any 20’ x 20’ or larger free-form space configuration to be an island booth. Full use of the space is permitted, but the design of the booth must be constructed to allow access from all four sides and provide clear sight lines so that the surrounding area can be viewed around and through the booth, and visibility to the adjacent booths is not obstructed. Island exhibits must adhere to the following rules:

- Booth must be constructed to provide an access path of at least 5’ in width from all four aisles.
- The design must have a sufficient “see through” effect of at least 30% visibility to avoid blocking the view of neighboring booths.
- Solid walls may not span more than 40% of the booth dimensions from front to back and side to side.
- AANP has set a maximum height limit for all island booths of 22’. All towers, hanging signs and displays will adhere to the 22’ height limit from the exhibit hall floor to the top of the hanging sign. Some exhibit halls may have areas with lower height restrictions, and they will be indicated on the floor plan.
- Theater seating for presentations and demonstration areas in a booth are required to be a minimum of 5’ back from the aisles, and the aisles must remain free from congestion.
- Island exhibits are subject to show site review and, where necessary, modification will be made at the Exhibitor’s expense.
- Floor plans and elevation blueprints for island exhibits must be submitted to Exhibit Management for approval by Friday, April 17, 2026. If proposed plans are not submitted and/or the construction is determined to be in violation of regulations, AANP reserves the right to prohibit assembly of the booth and is under no obligation to provide a refund or other restitution.

Please contact Exhibit Management at [aanp@corcexpo.com](mailto:aanp@corcexpo.com) with any questions.

## Signage

Exhibit signs are permitted only within the confines of the booth. The top of any hanging banners or signs for island booths must not exceed 22’ from the floor. AANP strictly prohibits the display of signage of any type by exhibitors throughout the official conference hotels. No signs can be posted, nailed or attached to columns, walls, floors or other parts of the facility. The general contractor can handle advance orders of signs. Sign service will also be available on-site through the general contractor.

## Decoration Restrictions

The use of latex products is restricted. Balloons and inflatables are prohibited.

## Fire Regulations

All material used in the exhibit hall must be flameproof and fire resistant in order to conform to local fire ordinances and meet regulations established by the National Association of Fire Underwriters.

## Conduct

The conduct of each exhibit is subject to the approval of AANP Exhibit Management, which reserves the right to require modification and/or removal of any exhibit, which, in its opinion, is not appropriate to the 2026 AANP National Conference.

This regulation also applies to displays, literature, advertising, novelties, souvenirs and the conduct of representatives, etc. All exhibitors are responsible for ensuring their representatives and/or agents adhere to all of these rules and regulations. AANP reserves the right to deny future participation by exhibitor if AANP receives complaints regarding exhibits or exhibitor conduct.

## BOOTH ACTIVITIES

### Noise

Electric or other mechanical apparatus must be muffled so any noise does not interfere with other exhibits. Loud noises, such as bells or whistles, are prohibited. Exhibit representatives must keep their messaging and voice to a level that is not disruptive to neighboring exhibits and does not discourage attendees from visiting other exhibitors around their booth. If AANP Exhibit Management determines the sound is objectionable, it must be remedied immediately, or use of the sound equipment or device will be removed from the exhibit hall for the remainder of the conference.

### Distribution of Materials

No canvassing or distribution of advertising materials will be allowed outside an exhibitor’s own booth space without preapproval by AANP Exhibit Management. Material found in non-approved areas will be destroyed without notice.

### Exhibit and Promotional Activity

- All exhibits must be constructed or arranged to accommodate visitors within the booth area and not take up aisle space. Aisles must be kept free of obstructions.
- No exhibitor may sell or recruit within the aisle space. No person, firm or agency who is not an official exhibitor may display or demonstrate products or services, solicit orders or distribute advertising material within any facility contracted by AANP for its 2026 AANP National Conference.
- Subletting, re-assignment or apportionment of the whole or any part of space by an exhibitor is prohibited. No exhibitor may permit any other party to exhibit any goods or services other than those manufactured or handled by the contracting exhibitor in his space nor permit the solicitation of business by others within that space.

*All dates and times referenced are listed in PDT.*

# RULES & REGULATIONS CONT.

- No exhibitor may enter another exhibitor's booth without permission.
- Each exhibiting company has only a terminable license to exhibit. If AANP Exhibit Management determines that an exhibitor has failed to comply with any rule or that the exhibit is not in good taste, AANP Exhibit Management can terminate this license and close the exhibit without notice and no refund of fees will be paid.
- All applicable products must meet U.S. Food and Drug Administration (FDA) guidelines and standards or be FDA approved. Supplements must be NSF approved. All products must meet state regulatory guidelines.

## Onsite Distribution of Pharmaceutical Products

Any and all sales, dispensing, or delivery of pharmaceutical products of any kind are strictly prohibited. Violation of this rule will result in the immediate termination and closing of the offending exhibit and expulsion of the Exhibitor. The exhibiting company will also forgo all funds paid to AANP. It is at the sole discretion of the AANP to prohibit participation in future AANP events by offending exhibitors.

## Photos, Videos and Images

Exhibitor grants AANP permission to use any photos, images, or outcomes from general conference activities during the 2026 AANP National Conference for promotional, media, or business purposes without compensation.

Photographing or recording AANP activities, attendees, or staff is prohibited.

Only photos or videos of the exhibitor's own booth and exhibit staff are permitted for social media. Professional equipment (e.g., tripods, selfie sticks, lighting rigs, stabilizers) is not allowed on the exhibit floor.

Social media content must feature only the exhibitor's booth and staff. Recording or photographing AANP staff or attendees for promotional/commercial use is prohibited. Capturing another exhibitor's booth or equipment without consent is strictly prohibited. AANP or its agents may confiscate unauthorized recordings or images.

## Sales and Order Taking

Sales and order taking (entering into a contract of sale) are allowed, unless prohibited by law, on the exhibit floor. All transactions conducted on the exhibit floor must be consistent with the professional nature of the conference. Products or services must be exhibitor's own marketed product or service. AANP Exhibit Management reserves the right to restrict sales activities that it deems inappropriate or unprofessional. No selling of products or services is allowed outside the exhibit hall. Any exhibitor selling or taking orders during the conference must comply with all business licenses and sales and use tax requirements. **Exhibitors are also solely responsible and liable for remitting state and federal taxes and complying with all tax laws.** To ensure you are in compliance with Nevada State Laws, visit [myntax.nv.gov](http://myntax.nv.gov). If you have questions, please contact the Nevada Department of Taxation at 702-486-2300.

## Staffing

Booths must be staffed at all times during exhibit hours by bona fide employees or representatives of the exhibitor. AANP Exhibit Management encourages exhibitors to have at least two personnel

on-site. However, if a 10'x10' booth is manned by one person, small breaks may be taken. Booths left unmanned for an extended period of time may result in loss of accumulated priority points and may not be eligible to exhibit at future conferences. As a courtesy to the attendees and fellow exhibitors, AANP expects strict adherence to opening and closing hours. Booths found to be unmanned during the last two hours on the final day of exhibits may result in loss of accumulated priority points and may not be eligible to exhibit at future conferences.

## AANP Name and Logo

The AANP name and logo are the exclusive property of AANP. They may not be used in any way (e.g., promotional literature, giveaways) by anyone else for any purpose without specific written approval from AANP Exhibit Management.

## AANP Endorsement

The distribution of materials, brochures, samples or items and all related advertising and activities conducted during the conference does not constitute endorsement by AANP.

## Live Presentations

Promotional or educational activities using professional speakers or celebrities within the exhibit must be preapproved in writing by AANP Exhibit Management. This includes clinical classrooms, celebrities or gimmicks.

## Distribution of Continuing Education (CE) Activities

All educational activities for CE being distributed within the exhibit hall must be submitted to AANP Exhibit Management for AANP CE approval. Contact AANP Exhibit Management at [aanp@corcexpo.com](mailto:aanp@corcexpo.com) for instructions on how to obtain approval of any CE activities.

## Food and Beverage

Food and beverage are permitted in exhibit booths upon prior written approval by AANP Exhibit Management. All food and beverages, must be ordered through and approved for distribution by The Venetian Convention & Expo Center, the exclusive provider for food and beverage. All applicable products must meet FDA guidelines and standards or be FDA approved. All products must meet state regulatory guidelines. Instructions on how to submit your food and beverage request for approval will be included in the Exhibitor Service Kit. Questions may be directed to AANP Exhibit Management at [aanp@corcexpo.com](mailto:aanp@corcexpo.com).

## Porter Service

In an effort to maintain a clean environment, exhibitors who will be distributing giveaways and/or providing food and beverage or hospitality service in their booth must order porter service to remove empty boxes. Empty boxes may not be placed in the exhibit hall aisles, behind or adjacent to columns or in trash cans throughout the exhibit hall during show hours. AANP Exhibit Management reserves the right to request the general contractor remove the boxes at the exhibitor's expense.

*All dates and times referenced are listed in PDT.*

# RULES & REGULATIONS CONT.

## Firearms and Weapons

Firearms and other weapons are prohibited at the Venetian Convention & Expo Center premises.

## Children

Children under the age of 16 are not allowed in the exhibit hall at any time. During move-in and move-out, no one under the age of 18 will be permitted in the exhibit hall.

## Animals

No animal other than an animal that qualifies as a “service animal” or police dog, as those animals are defined by law, shall be brought onto the property without the prior approval of the Venetian Convention & Expo Center. This applies regardless of the type of animal or the length of time the animal will be on property. A service animal is not a pet. The Americans with Disabilities Act (ADA) defines a service animal as any guide dog, signal dog or other animal individually trained to provide assistance to an individual with a disability. A service animal is permitted to accompany the individual with a disability to all areas of the property where guests normally are allowed to go. The care and supervision of a service animal is solely the responsibility of the owner. The facilities are not required to provide care, food or a special location for the animal.

## Clinical Tests

Any exhibitor wishing to provide clinical screenings, testing and demonstration of any medical products or equipment must request written permission from AANP Exhibit Management.

Demonstrations of ultrasound scanning devices or lasers on human models are allowed as long as the models are not injured by the demonstrations, either in single or repeated applications, and there is no danger from ultrasound to booth personnel or surrounding booths or attendees. Demonstrations may not be performed on attendees (attendees may not be the human model for demonstrations). A sign displayed in a prominent location must state the nature and duration of the demonstration.

Exhibitor is solely responsible for ensuring that use of ultrasound, laser, or other medical devices or technology, and the use of any inherently dangerous substance, device, or equipment, complies with federal, state, and local laws, regulations, ordinances, and other applicable rules. AANP approval to use such substances, devices, equipment, and/or technology is not validation of compliance and does not constitute an endorsement by AANP.

The proposed use of any chemical or gas is subject to approval by both AANP and The Venetian Convention & Expo Center. The Venetian is the exclusive provider for compressed inert gases. Please note that the use of lasers requires a higher insurance limit, per the Venetian.

It is the responsibility of exhibitors to adhere to FDA regulations, policies, practices and guidelines concerning the use of all medical equipment and procedures that are demonstrated in the exhibit hall.

## Hazardous Waste

Hazardous waste includes materials that are ignitable, corrosive, reactive, toxic or biohazards. Exhibitors who generate material fitting these criteria in their booth are responsible for appropriate handling and disposal of bio-hazardous waste in compliance with all federal, state and local regulations.

## Non-Smoking Facility

To provide a safe and healthy environment, the Venetian Convention & Expo Center is a non-smoking facility. All interior areas are designated as non-smoking areas.

## Music Licensing

License agreements with the American Society of Composers, Authors and/or Publishers (ASCAP) and Broadcast Music, Inc. (BMI) for music covered by exhibitors are the sole responsibility of the exhibitor. Music interfering with other exhibitors or attendees is not allowed. AANP does not play music in the exhibit hall.

## Wireless Internet

If your booth will have WiFi or MiFi network in your booth, please adhere to the following guidelines:

- Limit the network broadcast to cover your immediate booth area only.
- No hidden SSIDs are permitted.
- Minimize the number of access points within your booth.

## Security

AANP cannot guarantee against loss or damage of any kind. Exhibitors are not to place products or other items of value in their assigned booth until exhibit personnel are on-site and exhibitors are responsible for monitoring such products. If any items of value are missing, please contact security immediately. All exhibitors are to take any valuable, personal and portable items out of their exhibits when the show is not open or make arrangements to provide additional security for their exhibit booth. Exhibitors must always wear the official AANP conference badge, and the badge is non-transferable. AANP Exhibit Management reserves the right to confiscate and revoke any badge and related exhibitors at any time.

## Exhibit Staff Registration

All personnel affiliated with an exhibit must be pre-registered for an exhibitor staff badge. Instructions on how to submit your exhibitor staff badge registration will be emailed to confirmed exhibitors once available. Each exhibitor will receive up to four complimentary exhibitor badges per 100-square-foot (10'x10') of exhibit space. Additional exhibitor badges may be purchased for a fee of \$25 per badge. Admission to the exhibit hall and sessions will be by AANP conference badge only. AANP exhibitor badges allow admittance to the exhibit hall only.

Exhibit staff who wish to attend educational (CE and nonCE) sessions must register as a conference attendee. Badges will not be mailed in advance and, therefore, need to be picked up on-site at the exhibitor registration counter.

Exhibits must be staffed at all times during the hours the exhibit hall is open. Each representative who is issued an exhibitor badge must be employed by the exhibitor or have a direct business affiliation. Only representatives who are employed by the exhibiting company and who will be staffing the booth are to be registered for an exhibit booth staff badge. Exhibitor badges are not to be issued to registrants who should pay the attendee registration fee.

## Meetings, Events, Focus Groups, Research Activities and Unofficial Functions

AANP has strict policies for interaction with conference attendees and use of meeting space at the conference venue, restaurants and area hotels for activities and events. These meetings include social functions, hospitality suites, promotional events, focus groups, research activities, educational events and exhibitor preconference meetings. Research activities include off-site meetings, market research and any other interaction with conference attendees that is not officially part of the 2026 AANP National Conference schedule and activities.

Information regarding AANP's policy and meeting or event space rental fees can be obtained by contacting AANP Sponsorship Management at [aanp@corcexpo.com](mailto:aanp@corcexpo.com). Any exhibitor interested in planning these types of events must complete an ancillary meeting request form. Any company wishing to sponsor an ancillary meeting at the 2026 AANP National Conference must also be an approved exhibitor.

## Surveys and Questionnaires

Exhibitors wishing to distribute surveys or questionnaires must obtain prior written approval from AANP Exhibit Management. A sample survey must be submitted by **Friday, April 24, 2026**, to [aanp@corcexpo.com](mailto:aanp@corcexpo.com), along with:

- A written statement outlining the survey's purpose;
- Who will access the collected data;
- Whether the data will be used in advertising, publications, or shared with media outlets;
- A copy of the attendee consent form to be used with the survey;

Additionally, the survey must display a clear consent statement before respondents begin, explaining their right to skip questions and, if contact information (e.g., email) is collected, how it will be used—including any plans to recontact respondents or share data with third parties.

Surveys and related materials may not use the AANP name or logo, nor imply AANP endorsement of the surveys or questions therein.

Exhibitors must obtain explicit consent from each participant and submit the signed consent documentation with the final survey materials and summaries of the survey to AANP at the conclusion of the event.

## Giveaways, Sweepstakes, Contests and Drawings

AANP encourages creative marketing strategies; however, it asks that good judgment be used so as not to jeopardize the professional atmosphere of the exhibit hall. All giveaway items other than the customary descriptive product literature must be submitted to AANP Exhibit Management for approval by Friday, May 8, 2026. Approved exhibitors will need to complete a form in their Exhibitor Hub to submit details about booth activities including giveaways, sweepstakes, contest or drawings. **Any Exhibitors offering a game of chance (such as raffles, door prizes, etc.) must obtain a gaming license from the State of Nevada.**

**Plans to conduct sweepstakes, contests or drawings must comply with Nevada State Law and must be open to all conference attendees. In addition, the Venetian Compliance Department requires notification and approval for mock gaming, games of chance, and any events where prizes are awarded. Events that fall into any game classification must complete an Events Checklist that will be**

**available in the Exhibitor Hub.** AANP Exhibit Management must also approve the entry form or other tool attendees may be asked to complete in order to be eligible for the giveaway, sweepstakes contest or drawing. All non-approved sweepstakes, contests or drawings will be immediately discontinued during the conference.

**Exhibitor is solely responsible for ensuring that all gifts, giveaways, drawings, sweepstakes, prize promotions, and contests comply with federal, state, and local law.**

Distribution of newspapers, brochures, magazines, advertising or any printed material within the official conference hotels is not allowed. Material found in non-approved areas will be destroyed without notice. AANP strictly prohibits the display of signage and distribution of materials of any type by exhibitors throughout the convention center and official conference hotels, except within the exhibit booth officially assigned to the exhibitor. This includes message centers, food courts, lounges, restrooms, hallways, elevators, shuttle buses, etc.

## Admission to Exhibit Hall

Exhibitors wearing badges may enter the exhibit hall one hour before the opening of the exhibition each day. Exhibitors are to exit the exhibit hall after the close of the hall each day. Exhibitors needing access to the exhibit hall at times other than these must obtain approval from AANP Exhibit Management and provide ID to security upon entering the exhibit hall. Only exhibitors with badges will be permitted to enter the exhibit hall before or after exhibit hall hours.

## Install

The installation of exhibits must be carried out during the times listed in the Exhibit Service Kit. All crates and packing material must be unpacked and be ready for removal from the exhibit area by 11AM on Thursday, June 25, 2026. These materials should be nested as much as possible. Storage stickers must mark all containers to be stored and returned at the close of the exhibits. These stickers will be available at the General Contractor's Service Desk. Any exhibit that is not unpacked at this time will be put in storage and can be retrieved only after the exhibits close on the first day. Containers or skids without storage stickers will be considered refuse and discarded. No refuse, such as empty cartons, may be placed in the aisles after the exhibit area is swept for the final time after 11AM on Thursday, June 25, 2026.

Crates, boxes and cartons may not be stored behind booth backgrounds. Nothing of value should be left in crates that are going into storage. Any space that has not been claimed and occupied or for which no special arrangements have been made prior to 11AM on Thursday, June 25, 2026, may be resold or reassigned by AANP Exhibit Management, without obligation on the part of AANP or AANP Exhibit Management for any refund whatsoever.

Any exhibit found to be unmanned, packed or in the process of packing or dismantling prior to the official close of the exhibit hall may result in the loss of accumulated priority points and the eligibility to exhibit at future conferences.
