HOW TO VIEW CE SESSIONS

The screenshot shows the AANP website interface. At the top, the AANP logo and 'American Association of NURSE PRACTITIONERS' are visible. A search bar and user information are also present. The main content area is titled 'Live Sessions' and contains a list of sessions. The first three sessions have 'View' buttons highlighted with an orange box. The first session, 'Session 1: Emergency Department Management of the Hyperglycemic Diabetic Patient', has a 'Launch' button highlighted with a red box. The second session, 'Session 2: Primary Care Management of the Patient With Type 2 Diabetes Mellitus', has a countdown timer highlighted with a red box, showing '07 days 18:48:24' remaining. The bottom of the page features a navigation bar with icons for various areas like Lobby, Auditorium, Exhibit Hall, etc., and a 'VIEW SESSIONS VISIT THE AUDITORIUM' button.

When a session is available, the button to the left of the title will say “Launch.” Click on the Launch button to view the video presentation. If a button is labeled “Scheduled,” the session is not yet available. Items that are labeled ‘View’ are PDFs you can open or save to your Briefcase.

There is a countdown timer on each session, as well as a listing of the specific time the doors will open so you can enter the lobby for that session. Each lobby opens five minutes before the start of the session.

HOW TO CHAT WITH EXHIBITORS

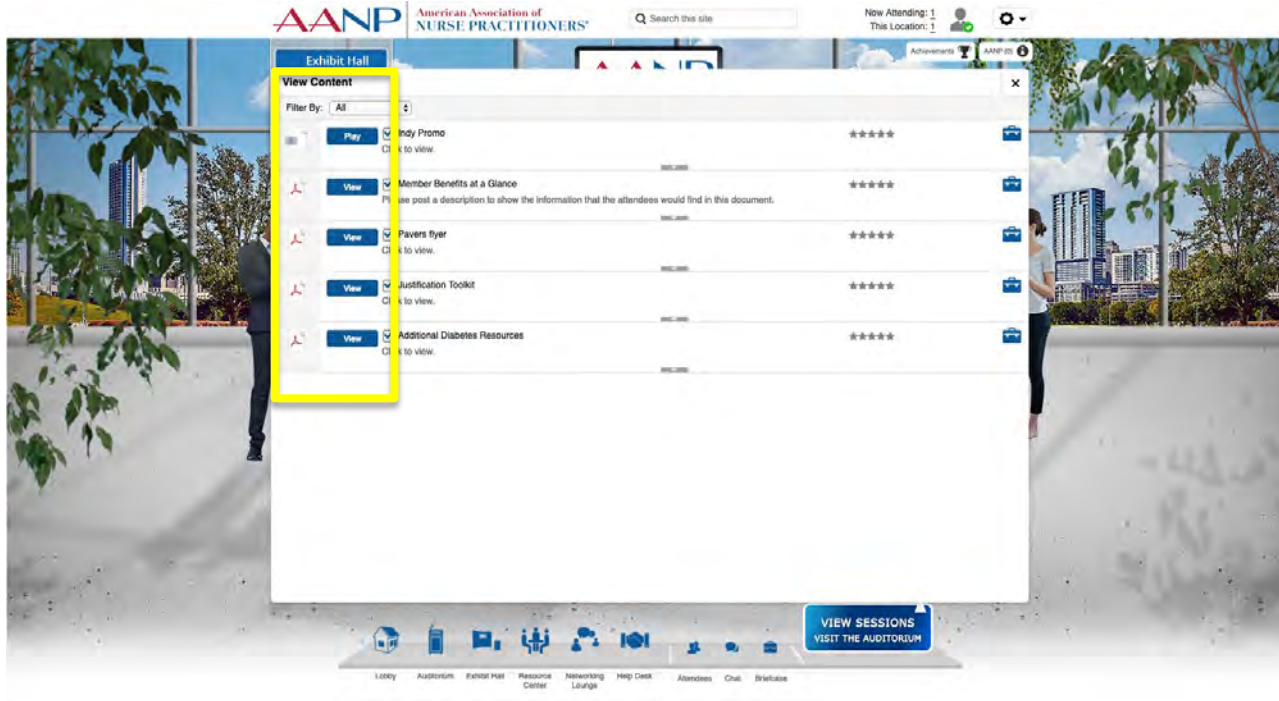

When you enter a booth for the first time, a list of representatives will appear. When a rep is available for one-on-one chat, a green chat bubble will appear to the right of their name. If you see a grey chat bubble, you can use the email icon to send them an email message. Note: This does not reveal either your or their email address. Close this by clicking the 'x' in the upper right.

If you close the rep list, you can click here at any time to reopen it.

You can click here to view this booth's available content.

This navigation area will let you navigate back to the main Exhibit Hall or between booths.
